### DESCRIPTION AND PURPOSE OF ITEM

This item identifies the township responsible for maintenance. The Maintenance Township must always be located within the Maintenance County.

Township or Municipality Maintained: Enter the number for the township or road district with maintenance responsibility for the structure.

State, County or Other Agency Maintained: If Maintenance County (Item 3B) and Inventory County (Item 3A) are the same, enter the same number as the Inventory Township. In cases where the Inventory County and Maintenance County differ, enter the township number for the township within the Maintenance County where the bridge is located.

### CODE AND SCREEN ENTRY INSTRUCTIONS

A two-digit field.

Enter the appropriate township or road district code.

Township/Road District codes are identified in Appendix B.

1/ This item should be coded when adding a new structure to the ISIS database.
